## Establish a culture of learning with RedCriticter

Employee development and the push for continuous improvement are at the foundation of every successful organization. While retaining your top employees is important, you already know that enhancing the talent you have is the key to sustained success. RedCriticter drives employee engagement and development by leveraging basic human motivators through real-time rewards and recognition.

RedCriticter brings badges, skills, certs, reward points and peer-to-peer accolades that are easy to manage and tie to your key performance metrics.

*Did you know? "Beyond salary, psychological and social fulfillment can determine which employees are motivated to stay, perform, and contribute to organization success."*

– Forbes

## Setup is easy

RedCriticter SaaS easily layers on-top of your existing learning and business systems to manage, showcase and reward employee achievements.
