## Fund and forget reward store with RedCritic

An internal reward store is a great way to recognize top performers, drive strategic initiatives, and offer creative perks to your team. RedCritic gives you a reward and recognition platform that automates your entire employee rewards program – from issuing “points” to rewards fulfillment.

Desirable Rewards – Our platform offers gift cards from dozens of retailers, in addition to intangible gifts like “lunch with the boss” or “VIP parking spot for a month” ensuring you tap into each employees unique motivators.

*Did you know? Employees that receive regular individual recognition and rewards for doing good work are responsible for a 10% to 20% increase in revenue and productivity.*

*–Gallup Q12 Research Study*

## Setup is easy

RedCritic SaaS easily layers on-top of your existing contact center business systems to manage, showcase and reward employee achievements.
