Optimize your sales team with RedCrittter

RedCrittter increases sales performance and productivity by weaving social and game dynamics into your existing business processes. By fostering the natural drive to win and the desire to achieve status among sales professionals, RedCrittter accelerates the bottom line performance of your sales team.

We bring badges, leaderboards, reward points, a reward store, skill tracking, and peer-to-peer accolades. RedCrittter is easy to manage and tie to your key performance metrics.

Did you know? "Sales contests aren't new to the industry... Today we can run competitions that are dynamic and digital, making them that much more efficient for managing and effective for motivation. Why wouldn't you take advantage of that?"

– Inc.

Setup is easy

RedCrittter SaaS easily layers on-top of your existing business systems to manage, showcase and reward employee achievements.
