

RedCrittter benefits

- **Promote collaboration**
Leverage incentives to motivate your team to reach out so new hires have productive work relationships from the start.
- **Accelerate training**
Issue a cert for completion of new employee training to kick off your employee's learning and development.
- **Establish enthusiasm**
Make new hires feel welcome and a part of the team with a new team member badge.

Amanda Hightower
"Great meeting you!
Welcome to the team. Let's
schedule an account review
this week."

Make your best first impression with RedCrittter

Onboarding is critical in every organization. RedCrittter helps you in your onboarding to: automate the process, accelerate training, create immediate peer-to-peer relationships and engage your new hire on day 1!

RedCrittter makes onboarding easy and automatic by weaving social and game dynamics into your existing business processes. We bring badges, skills, certs, reward points and peer-to-peer accolades that are easy to manage and tie to your key performance metrics.

Did you know? "Beyond significant financial and morale savings, there are a number of other benefits to onboarding new employees well, including helping them fit in better, deliver better results faster and be ready to adjust to changes down the road."
